TAM appoints Jari Järvelä as new Hangar Operations Manager

Örebro, Sweden: Täby Air Maintenance, TAM, is proud to introduce Jari Järvelä as the new Hangar Operations Manager. Born in 1970, Mr Järvelä has a long and varied technical career, most recently as workshop manager for a major construction equipment dealer. Previously he has also worked as a helicopter mechanic, providing a thorough understanding of the aviation environment.

– In the ever challenging world of aviation, we always strive to be on top. Obviously our hangar operations are essential to give our customers a premium service, says Pär Gulle, TAM Managing Director.

– Hence I am very pleased that we have been able to persuade Mr Järvelä to join our team of dedicated engineers and technicians, summarizes Pär Gulle.

About TAM:

TAM is a major, independent aircraft support and maintenance company, based in Örebro, 200 km west of Stockholm, Sweden. Having been in operation since 1989, TAM has over the years accumulated a vast experience in general support, maintenance and overhaul of small to medium sized airliners and freighters, with a focus on the Saab 340/Saab 2000 family of regional aircraft. Having all the necessary approvals, including EASA Part 145 and FAA Repair Station, TAM is ideally suited to support any operation with tailor-made maintenance and overhaul as well as having the leading Saab 340 cargo conversion programme.
